BRANSON TRI-LAKES HR ASSOCIATION 2015 FALL SEMINAR

Join us as Branson Tri-Lakes HR Association President, Julie Coxie, administers and interprets the **Myers Briggs Personality Assessment**. Perfect for the individual or entire work group, this popular training tool is for professional development and organizational improvement in all kinds of organizations. MBTI results give people helpful type feedback about themselves and how they are different from others. In organizations and workplaces, it is particularly useful with teams, for conflict management and performance improvement, employee coaching, and management development.

Julie Coxie is currently the Human Resources Director for Kanakuk Ministries/Kanakuk Kamps. She has been in the HR field since 2006 and received her Senior Professional in Human Resources (SPHR) Certification in January, 2009. In November, 2014, Julie received the SHRM Senior Certified Professional certification. She is educated in all areas of the HR field including strategic planning, employee relations, and employment law. She is the President of the Branson Tri-Lakes HR Association and works closely with HR professionals in the area. Julie became certified to professionally and ethically administer and interpret the Myers-Briggs® assessment in April, 2013.

REGISTER AT BTLHRA.EVENTBRIGHT.COM Online prepaid registration is required.
