

# **Integrating Veterans Into The Workplace**

***This is a workshop for employers to learn the best practices to transition and retain veteran talent. A moderator and 3 panelists will initiate audience discussion on issues relating to veterans entering or returning to the civilian workplace. By focusing on the transition process employers will reduce the cost of turnover and lost productivity.***

***This community service event is free. Business owners, HR Staff, Managers, and Supervisors are encouraged to attend.***

**February 9, 2016 9AM to 11AM**
